

A large industrial facility, possibly a refinery or chemical plant, is shown at dusk. The scene is dominated by several tall, cylindrical storage tanks on the left and a complex network of pipes, walkways, and structural steel on the right. Warm artificial lights from the facility illuminate the scene against the twilight sky. In the background, a body of water and distant hills are visible. The overall atmosphere is industrial and operational.

INDUSTRIAL CATALOGUE

ABOUT US

We are a trading firm that has a full potential of providing a complete end-to-end solutions to procuring and delivering of spares to industrial plant worldwide. With our impeccable experienced team, we have network of connections with diversified manufacturing brands throughout USA, Europe and Asia, by which we are able to source spares from the domestic market leading to cheaper prices and faster delivery time. With our specialisations in procuring rare items, tight spot orders and shutdown orders we are able to satisfy client needs along with significant pricing and delivery benefits. In addition to provide industrial spares, we also source and supply recycled industrial scraps.

We are glad to inform you about our connections in Middle east and Far east, so if you or your company are looking for spares or industrial scraps at a faster pace and cheaper prices we'd like to meet and discuss on how to take our business relationship from there, then-on to obtain your wholesome goal.

Our customers are the pinnacle to our business. We put our hard work and efforts to ensure our customer's satisfaction now and ever.

LIST OF PRODUCTS

Industrial Electrical and Electronic Equipment

Mechanical Equipment & Spares

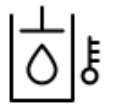

Instrumentation & Control Devices

Bearing and Lubrication

Industrial Mro

Sealing and Polymer

Safety and Fire Fighting Products

Plastic Bags

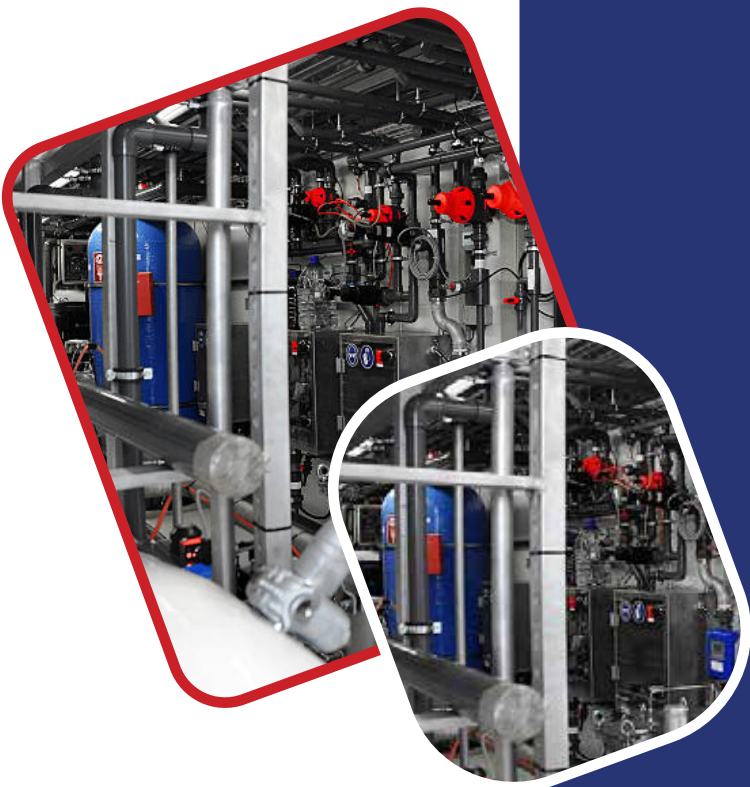

Packaging Material

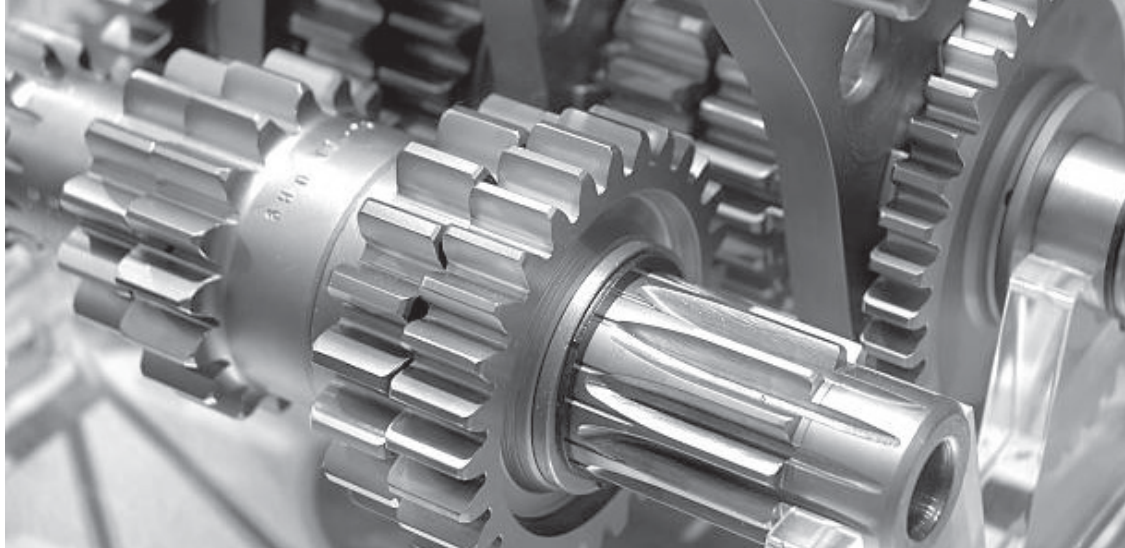

Material Handling

Industrial Electrical and Electronic Equipment

Control and Automation
Protection, Isolation, and Safety
Industrial Plugs and Sockets
Light Fitting
Sensing and Detection
Consumables
Cable & Wiring
Lamps and Tubes
Industrial Control and Accessories
Cable Management
Test Equipment
Solar Electric Power Systems
Welding Equipment's & Supplies
Grounding Equipment's
Pumps and Motors

Mechanical Equipment

- Boilers
- Brakes
- Burners
- Compressors
- Condensers
- Drive & Fan Belts
- Dryers
- Engine & Components
- Expansion Joints
- Flange
- Fans & Blowers
- Filtration
- Fluid Power and Accessories
- Furnace
- Gears
- Generators
- Heat Exchangers & Spares
- Heaters
- Hvac Equipment
- Hydraulics
- Industrial Hose
- Pneumatics
- Power Transmission Equipment
- Pulleys
- Pipe Fitting
- Tank & Equipment's
- Transmission Chain
- Turbines & Spares
- Winches

Instrumentation & Control Devices

Analytical Instruments

Calibration Equipment

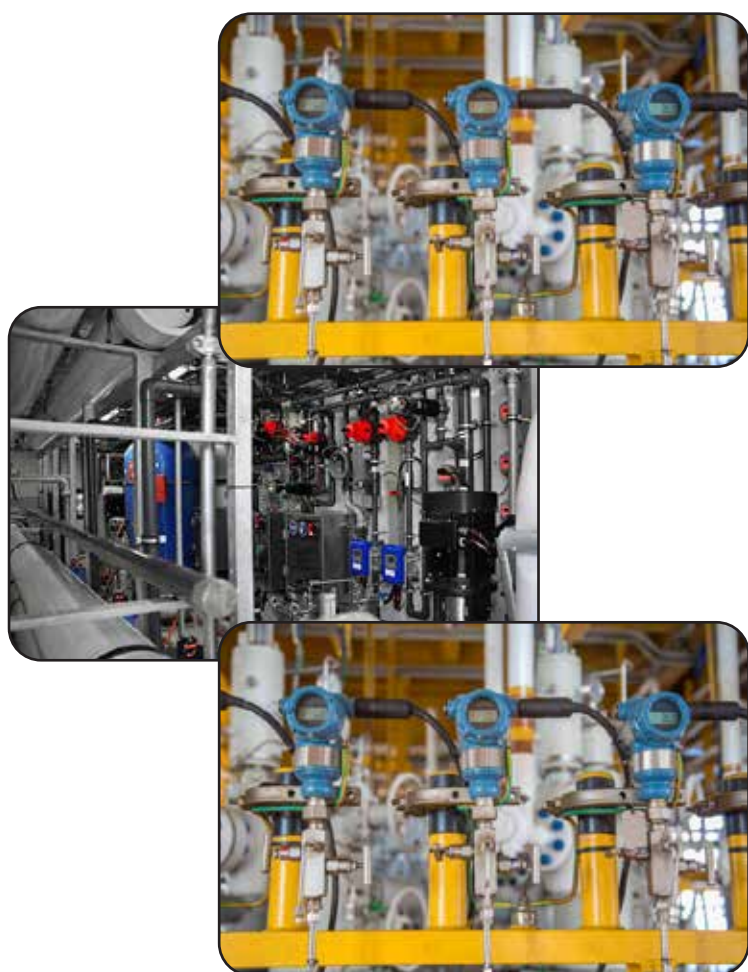

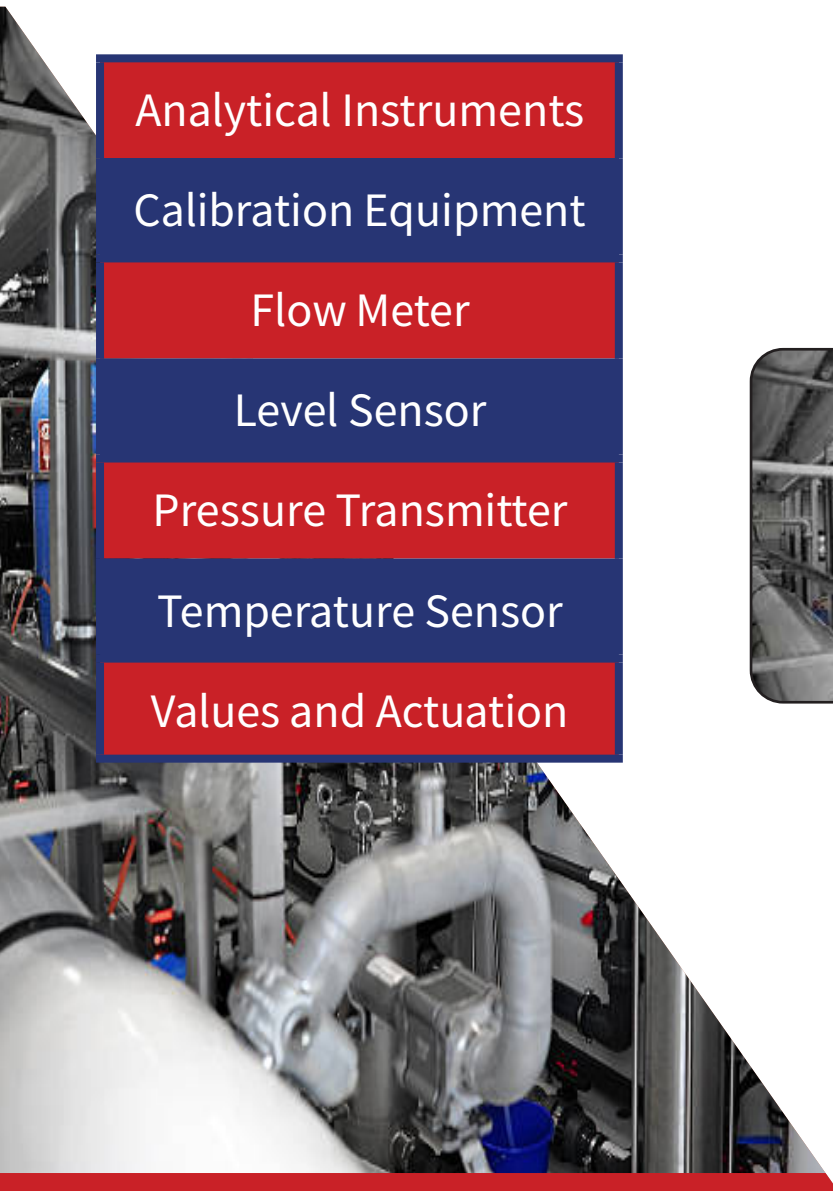

Flow Meter

Level Sensor

Temperature Sensor

Valves and Actuation

Bearing and Lubrication

Bearing

Rotary Bearings

Needle Bearings

Bearing Tools and Accessories

Plain Bearings and Rod Ends

Taper Roller Bearngs

Ball Bearings

Spherical and Cylindrical Bearings

Linear Bearings

Lubrication

Automotive oil

industrial lubricants

hydraulic oil metalworking fluids

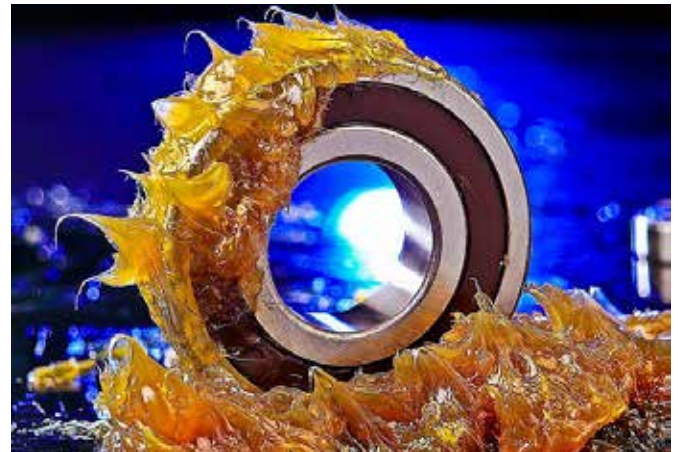

food grade lubricants

Grease (bearing grease, lubricating greases)

Anti-Seize and Corrosion Protection

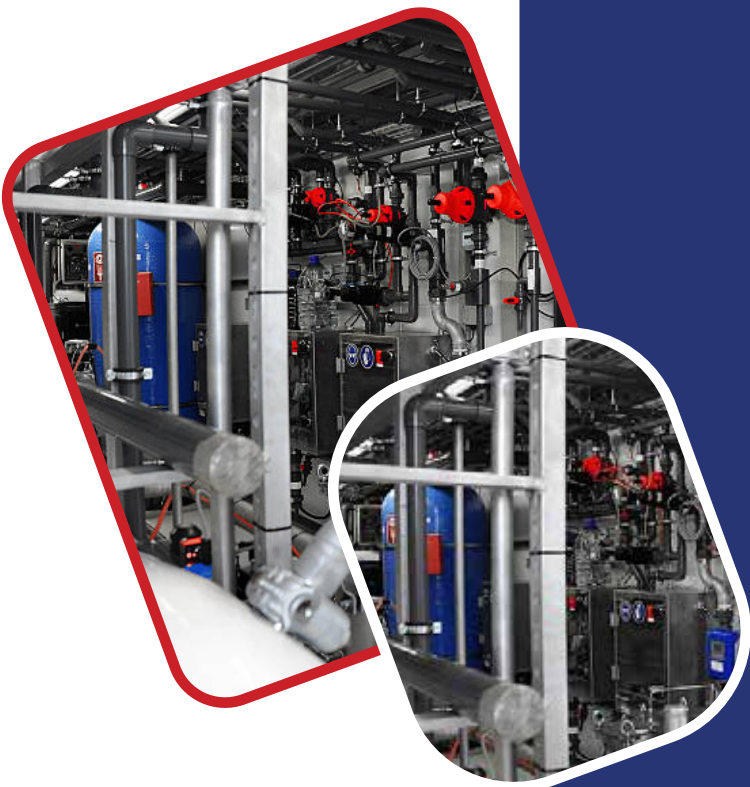

Lubrication Equipment

Automatic Lubricators

Industrial MRO

Tools and workplace equipment

Abrasive Materials
Hand Tools
Measuring & Layout Tools
Electrical Power Tools
Tool Sets
Construction Tools
Pipe Tools
Precision Tools
Tool Storage
Hydraulic Tools
Pneumatic Tools
Valve Tools
Workplace Equipment
Metrology
Cordless Power Tools
Maintenance Consumables

Sealing and Polymer

- Sealing Gaskets
- O-Rings
- Hydraulic and Pneumatic Seals
- Rotary Seals
- Spring Engineering Seals
- Sealing Tapes
- Sealants
- Adhesives
- Polymer Sheets and Films
- Polymeric Coatings
- Rubber Products

Safety and Fire Flighting Products

Ppe & First Aid Equipment

Fire Flighting Products

Fall Protection Products

Electrical Safety

Safety Lockout

Safety Alarms

Bubble wraps

Air pillows

Foam sheets

Stretch film

Corrugate rolls

Packing tapes

Labels and labelling material

Strapping product and equipment

Pallet wrapping equipment.

Material Handling

- Cable Handling Equipment
- Conveyors system
- Hand Trucks
- Loading Dock Equipment
- Material Handling & Equipment
- Pallet Trucks
- Cranes and hoists
- Carts & Dollies
- Chain & Tackle Equipment
- Drum Handling Equipment
- Forklifts
- Trolleys
- Mobile steps and ladders
- Security cages

Manufactures

INDUSTRIAL SCRAPS:

We are a leading company in-industrial scrap procurement, providing topquality services to businesses and manufacturers of all sizes. With over a decade of experiences in the field, we have the expertise and resources necessary to handle all of your scrap procurement needs.

Our services include:

Scrap metal procurement: We purchase a wide variety of metal scrap, including ferrous and non-ferrous metals, to help our clients maximize the value of their scrap material.

Industrial equipment dismantling and removal: We offer comprehensive services for dismantling and removing industrial equipment, ensuring that the process is safe, efficient, and environmentally friendly.

At Sheffield Trading Limited, we are committed to providing our clients with the highest level of service and the best possible return on their scrap material. Contact us today to learn more about how we can help you with your industrial scrap procurement needs.
